«Il legno: il più antico ma anche il più attuale e fantasioso, con quel profilo blasonato che gli deriva da secoli di artigianalità e tradizione il più sostenibile e il più naturale ora è Superstar...»

«The wood: the oldest but also the most modern and fanciful, with that emblazoned profile that derives from centuries of craftsmanship and tradition and the most sustainable and natural, now is Superstar...»

La direzione ringrazia di cuore tutti i collaboratori per i lavori svolti.
The Direction would like to thank all the employees for their work.
